

FF&E / INTERIOR DESIGN

Minto Brawley is an 8(a) Alaska Native Corporation (ANC) that has been designing and furnishing military, federal and commercial interior spaces since 1995. Our portfolio includes hotels and lodging facilities of all types and ranks, restaurants, cafes, food courts, sports bars, java bars, fitness clubs, lounges, conference centers, libraries, offices, training facilities, theaters, recreational centers and multi-use facilities.

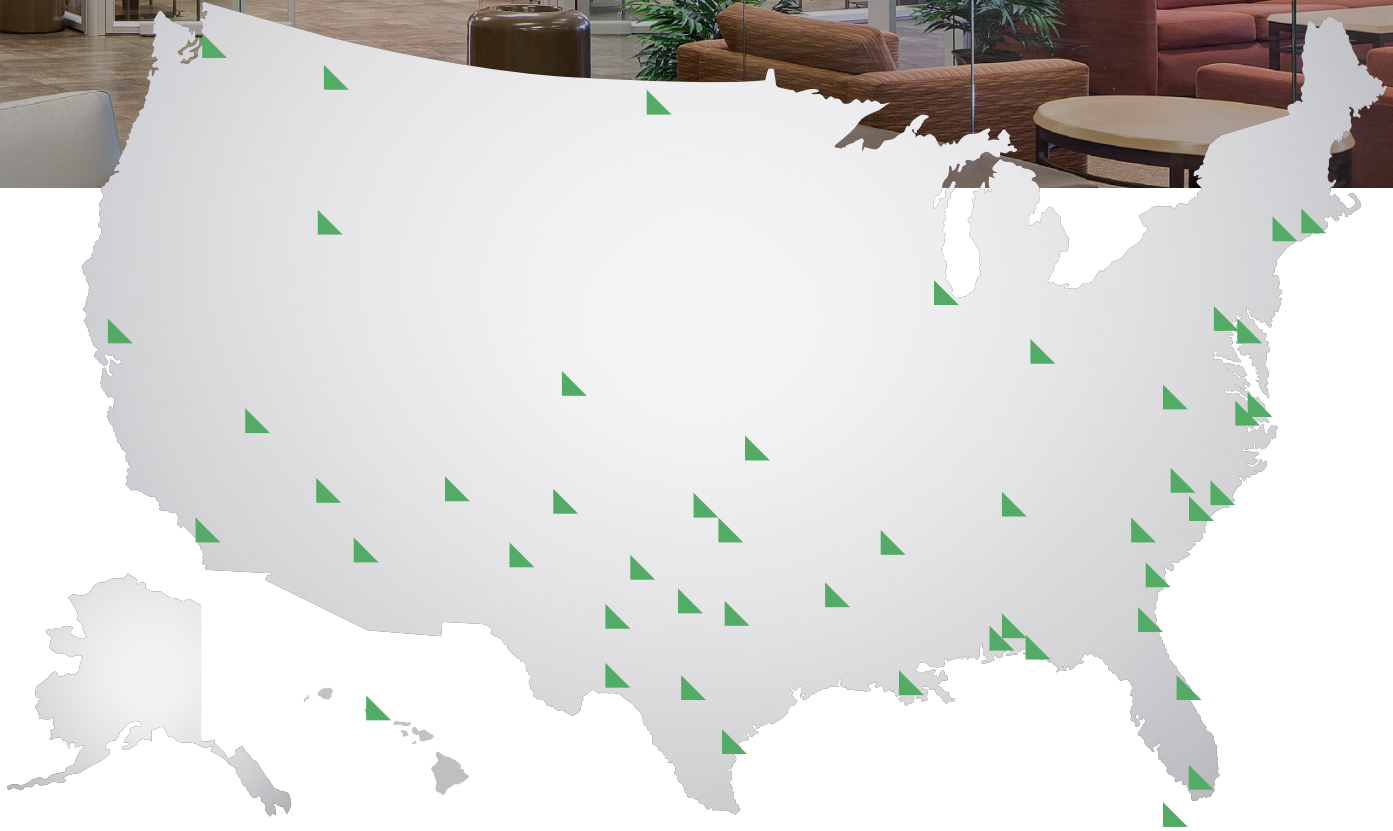

Our team of professional Interior Designers are skilled and experienced in solving the challenges our customers face with their facilities. We excel at developing creative solutions that enhance functionality and durability, while providing an inviting aesthetic. We understand the special requirements, needs and processes associated with federal and military customers; which enables us to specify correctly for each application, procure via federal contracting vehicles, and schedule installations on time and within budget.
