

Minto Global North is a general contractor headquartered in Fairbanks with an office in Anchorage, and experience throughout Alaska.

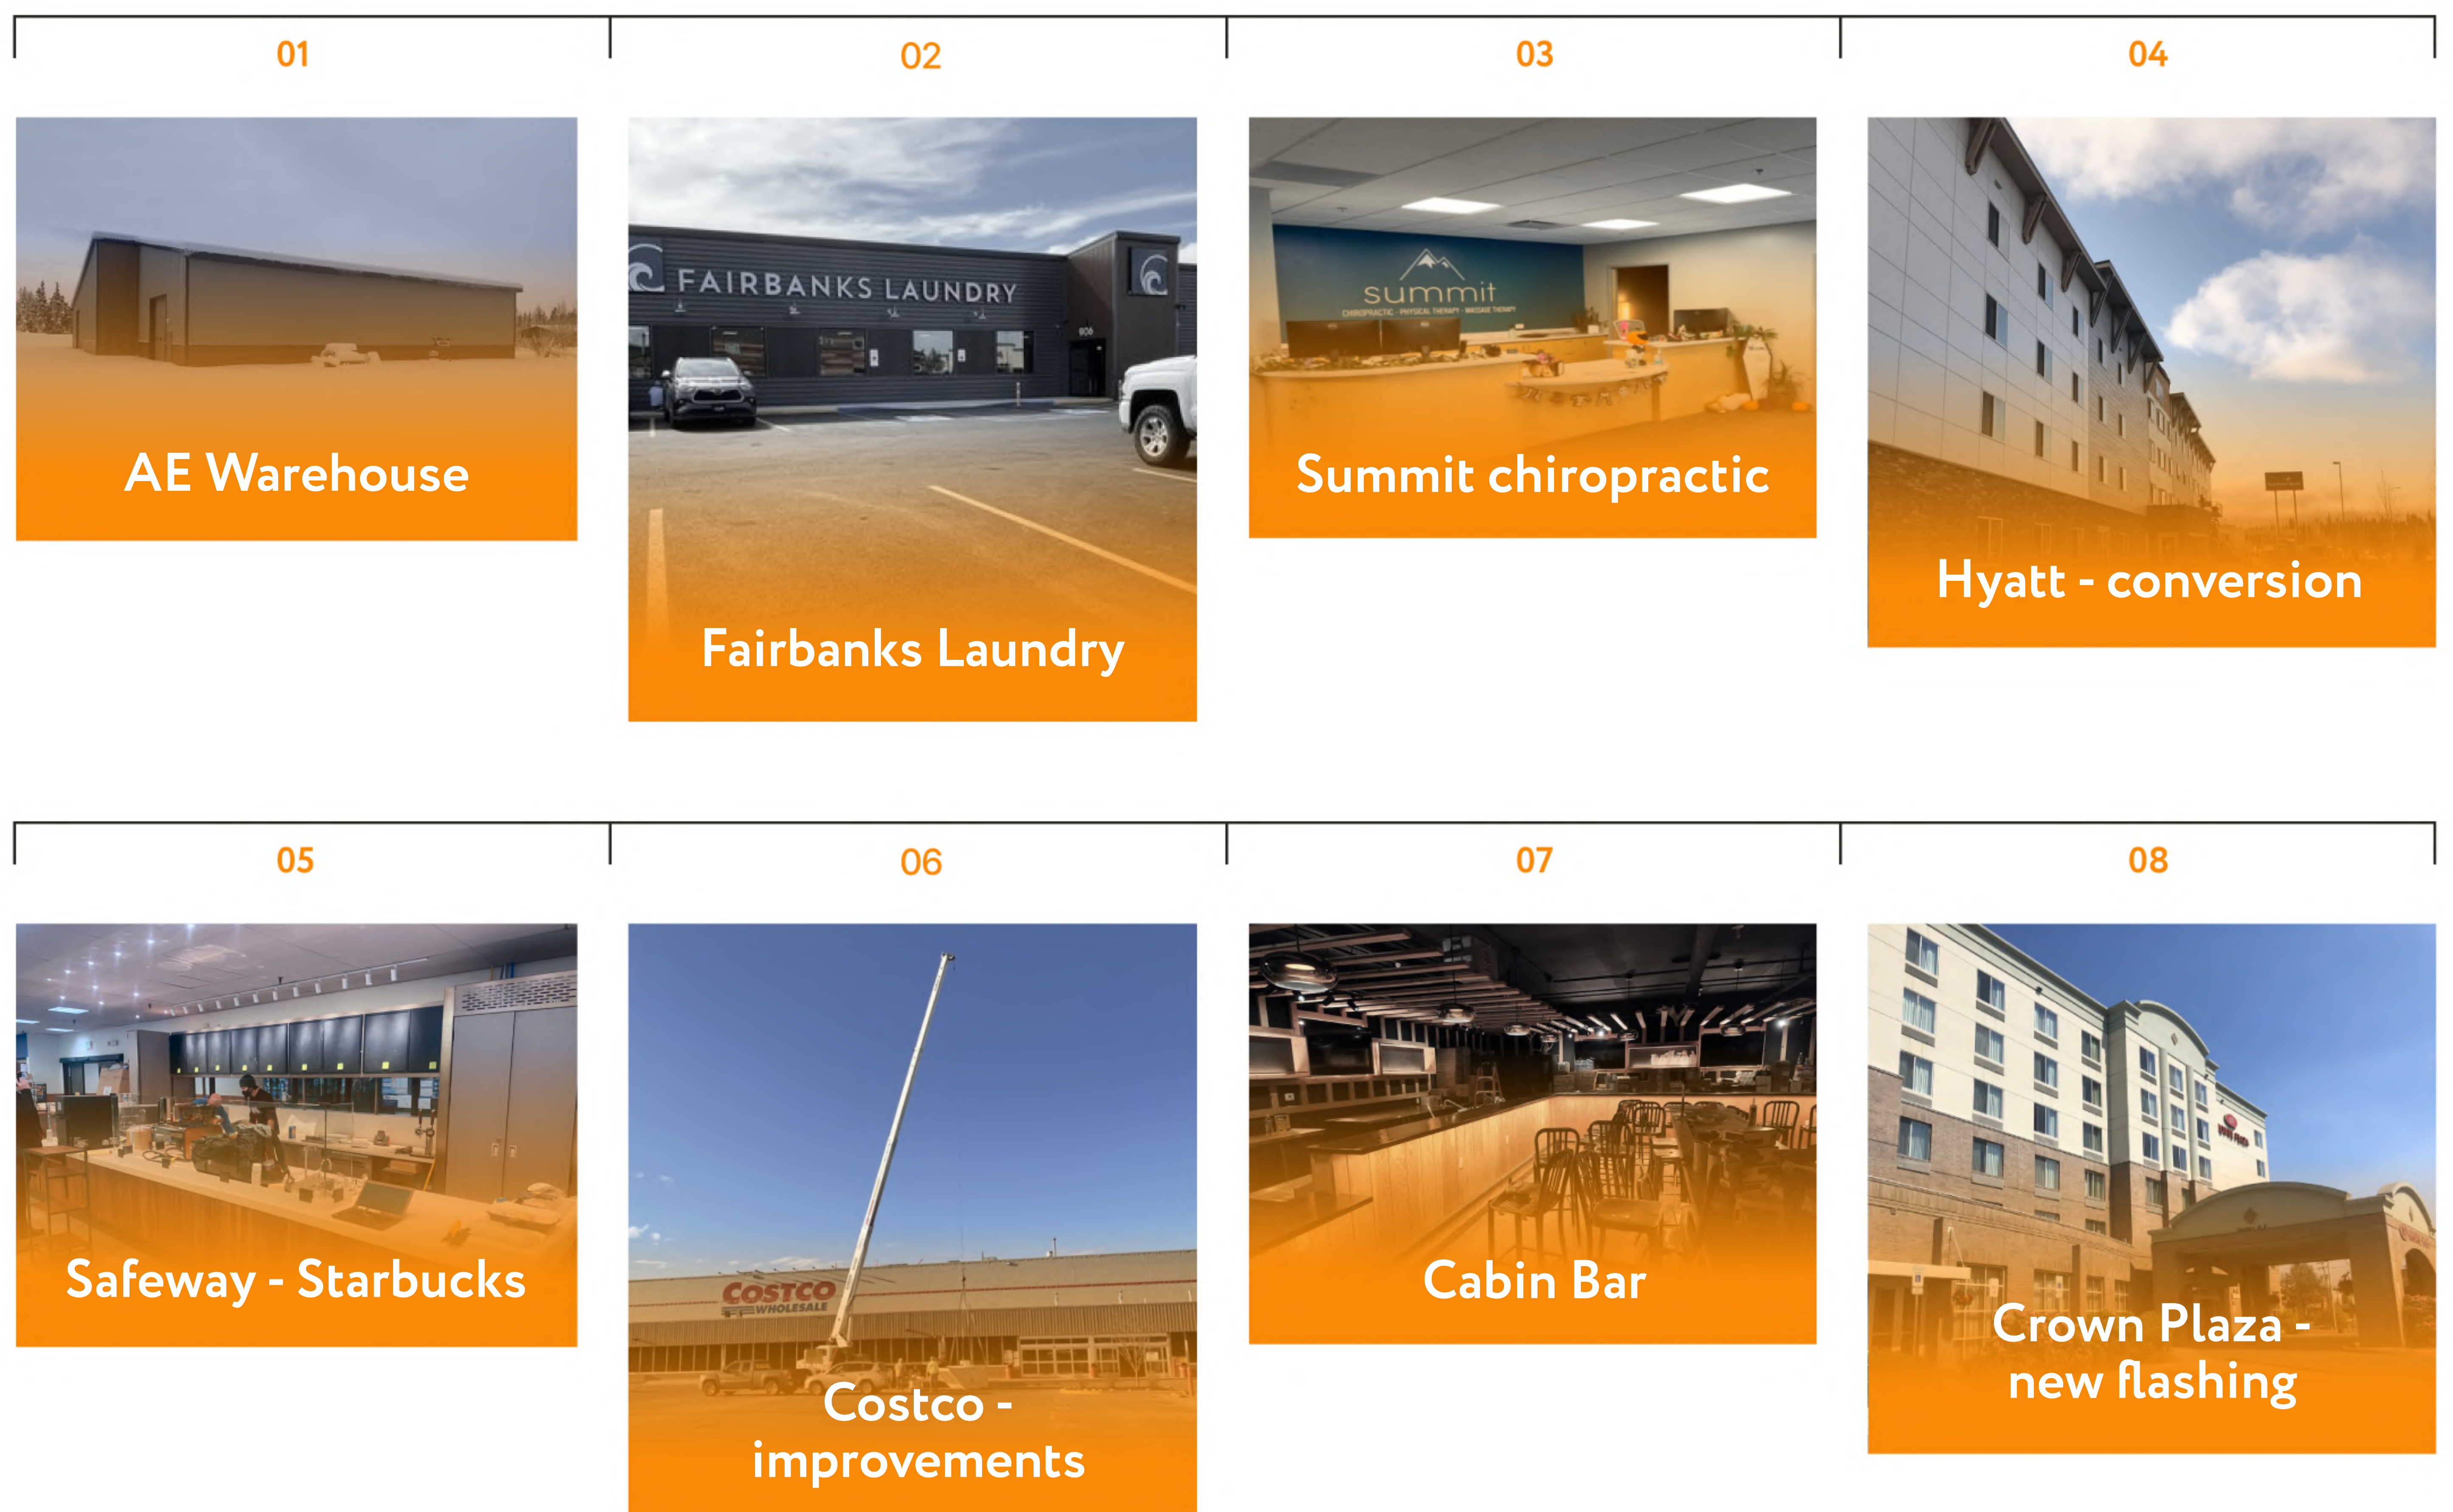

Minto Global North is an SBA-approved 8 (a), and is an Alaska Native Corporation (ANC). Our company prides itself on offering comprehensive contracting services catering to various construction needs across Alaska. Our experienced team is well-equipped to handle every aspect of your project, from the initial design phase to the final construction and beyond.

We understand that each project is unique, and we work closely with our clients to ensure their specific requirements are met with precision and attention to detail. Whether you need to revamp your current space, expand an existing facility, or construct a brand-new building from scratch, our contracting services provide a reliable and efficient solution you can trust.
